- Decorating
- Security (Saturday night)
- Clean-Up (both nights)
- Set-Up/Take Down
- Food
- Games and Prizes
- Linens

Other Tidbits of Information:

- On Saturday June 22, we suggest grads, escorts, and family plan to have photos in Lebourdais Park. If everyone meets at Lebourdais Park there will be lots of opportunity to capture your grad with many of their friends.
- Seating at the arena for Cap and Gown and the promenade, (if the weather is bad), will be by ticket only. Seating is festival style seating; not reserved family seating. Doors will open at 5:00 pm on June 21st and on the 22nd. If an attendee & their family of either ceremony has any physical accessibility accommodations we need to be aware of, please let us know in advance for us to try to plan accordingly.
- **We are anticipating offering each grad 4 tickets for each night. We are required to abide by building capacity regulations as set out by the Fire Marshal. *Capacity is number of people in the building.** Typical West Fraser Centre events have the majority of people attending events in the stands – Grad is not one of those typical events - we have a large portion of the capacity in the building on the floor, so if it looks to you like there is capacity/space, there is not.
- There will be Grad Info Sheets given to students to request their wish for total number of tickets, escort information etc.
 - We truly try our best to accommodate larger than normal requests – a lot is dependent on the demand and number of final graduates. **We are not alone in this as a majority of high schools & post-secondary institutions do not offer more than 4 tickets per graduate due to capacity issues. This year’s grad class is also anticipated to be larger than some of our past graduating classes.
 - Because this is a very big community celebration & we wish we could accommodate everyone’s wishes, we simply are not always able to. Please be

GRAD AT A GLANCE 2024

mindful in your requests – it is a joyous, complicated & sometimes stressful time for all the organizers, grads, staff and all our attendees when it comes to ticket distribution conversations. Over asking what you plan for those to come makes it a challenge to fulfill the needs of those who have complex/dynamic family situations.

- Always let the office know of changes to your ticket request information to ensure best distribution & fairness of ticket allocations to grads & their families. For example, if you only need 2 tickets instead of 4, please give your unused tickets back to the office so they can be redistributed.
 - If you are in a situation where your request is beyond what we can offer, is there another way to celebrate with your families & friends around grad time that you can incorporate into the weekend of celebrations that do not require you to have larger numbers of tickets?
 - A first round of tickets will be distributed to grads who have paid their fees in the first two weeks of June 2024. Likely in the week before or days leading up to grad we will disperse as equitably as possible any additional ticket requests.
- If fees are a hardship please contact Mrs. Knauf.
 - **Only those students who have 80 or more credits and who have met the requirements for graduation can participate in the Cap & Gown ceremony.**
 - Grade 12 students who have not acquired 80 credits are permitted to go to the grad ball.
 - If taking online courses via QDL & wanting to partake in ceremonies, please plan to meet with Mrs. Knauf. There are details/paperwork/fees etc. needed to be checked & completed.

Correliou Secondary School

Graduation 2024 Fees

Dear Grad and Grad Parent(s)/Guardian(s),

January 2024

The responsibility of the school is to provide a transcript of marks (Dogwood certificate) upon the completion of Grade 12. As well, the school organizes events such as the graduation ceremonies to celebrate the completion of Grade 12. Graduation is an important event in a student's life (as well as for the family). Graduation is the point where students move on to new challenges, experiences, and friendships. The desire of graduates, family, and the community over the years, has been to develop certain ceremonies and traditions. These activities bear a cost.

Grad fees cover the expenses of all of the services, ceremonies, grad paraphernalia, and activities enjoyed by the Grads each year. **The fees for graduation are \$150.00.** Please make cheques payable to 'Correliou Secondary School' and remit to Stacey Gilbert in the school office. This is a single price for each Graduate and, unfortunately, they cannot pick and choose those items for which they would like to pay. To make it affordable for all students, it is necessary to charge all students.

Check the Correliou website for up-to-date grad information.

Some of the benefits include:

- Graduation Photograph Sitting Fee
- Souvenir Commencement Program
- Souvenir Mortarboard and Souvenir Tassel
- Correliou Coyotes Lanyard
- Correliou Coyotes Keychain
- Commencement Certificate and Certificate Holder
- Commencement Photograph
- Graduate Image on Framed Composite with rest of Graduation Class
- Use of Graduation Gown and Correliou Graduation Sash for ceremony
- DJ and Music Services at Commencement Ceremonies and other events
- Rental of Arena (and other facilities) for Commencement and other events
- Entertainment Draw Prizes
- Decoration of Facilities
- Food and Beverages
- Custodial Expenses
- Security Expenses
- First Aid Expenses

Additional Notes:

Even if you are not purchasing a Photo package from the photographer, we want all grads to have their photo taken so that they can be part of the hallway composite and the yearbook.

If for some reason a student is unable to pay the fees, please contact Marissa Knauf at marissaknauf@sd28.bc.ca, or Shane Mummery at shanemummery@sd28.bc.ca or 250.992-7007, as we have funds available for such circumstances.

Should you have any questions regarding these fees, please do not hesitate to contact Marissa Knauf at 250.992-7007.

EARLY GRADS

All early grads need to check-in with Mr. Mummery to ensure we have you on our early grad list.

YEARBOOK ORDERS

Do you want a yearbook? Have you paid for one already? Soon we will be looking at our lists and placing the order. We only order a limited amount of extras due to the cost of producing them. We encourage you to place your order soon to avoid disappointment. Please be aware that last year we sold out and we cannot order more. Please see Stacey in the office if you would like to pay for a yearbook.

STUDENT LEARNING SURVEY

This year students in grades 4, 7, 10 and 12 are being asked to participate in the BC Ministry of Education Learning Survey, an annual online satisfaction survey about their school experience. This survey will be administered to grade 10 students in Semester 2.

Parents and guardians can complete the survey by going to the Parent Direct Access from the website below and selecting their child's district, school name (Correlieu) and language of preference. The survey is open until May 3rd.

<https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

LOCAL SCHOLARSHIP, BURSARY & AWARDS

The local scholarship, bursary and award package will be made available to grade 12 students on February 12th. **Students have until 3 pm on April 9th to complete their application for local awards.** This year we have approximately \$100,000 to award to students. It is important that all grade 12 students explore the option of post-secondary education and training, and the option of being awarded cash. Once packages are available, Ms. Kinloch is available to help students complete their packages M-F, 8 a.m. - 4 p.m.

Grade 12 students are also encouraged to research and find scholarships and bursaries which they may be qualified for online. Many large businesses and organizations have awards for students going to post-secondary.

APPENDIX A – FAIR NOTICE

Notice to our Students and Parents/Guardians/Caregivers Quesnel School District Threat Assessment Protocol

The Quesnel School District and our community partners are committed to having safe, caring and inclusive schools. In the event that a student makes a threat of violence or harm to other students, staff or the school community, the school will initiate the Quesnel School District threat assessment protocol.

Violence, Threat and Risk Assessment Protocol

In the event of a serious threat to the wellbeing of students or staff, A Violence, Threat and Risk Assessment Protocol will be initiated.

A threat is an expression of intent to do harm or act out violently against someone or something. They may be verbal, written, drawn, posted on the internet or made by gesture. Threats must be taken seriously, investigated and responded to.

What is the purpose of a threat assessment?

- to ensure the safety of all students, staff, parents and others
- to ensure a full understanding of the context of the threat
- to understand factors contributing to the threat makers' behaviour
- to be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker
- to promote the emotional and physical safety of all

What behaviours initiate a VTRA?

A VTRA will be initiated when behaviours include, but are not limited to, serious violence with intent to harm or kill, verbal/written threats to harm/kill others, Internet website/social media threats to harm/kill others, possession of weapons (including replicas), bomb threats, and fire setting.

Duty to report

Staff, parents, students and community members have a duty to report all threat-related behaviours to keep our school community safe.

VTRA Team

Our school has a multi-disciplinary threat assessment team. The team includes principal, vice-principal, district staff, school counsellors and police.

What happens in a student threat assessment?

After a report, the principal will activate the protocol for initial response. The team is activated and interviews may be held with the student(s), the threat maker, parents and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

Can someone refuse to participate in a threat assessment process?

It is important for all parties to participate. If someone is reluctant to participate for some reason, the threat assessment process will continue in order to keep our school safe.

STAY HOME WHEN SICK

If your student is feeling unwell, please ensure they stay home. Please see the BC Centre for Disease Control (BCCDC) website <http://www.bccdc.ca/resource-gallery/Documents/Guidelines%20and%20Forms/Guidelines%20and%20Manuals/Epid/CD%20Manual/Chapter%201%20-%20CDC/COVID19-self-isolation-post-testing.pdf> for what to do if you have COVID-19 symptoms. As per the BCCDC website, as of November 17, 2022, people who test positive for COVID-19 should stay home until their fever has resolved and they feel well enough to participate in daily activities. Thank-you for helping us keep our school healthy!
