CREDITS FOR GRADUATION

Worried about not having enough credits to graduate in June? Students must have completed 80 credits in order to participate in all graduation events. In some cases, a student may have to come back the following year to secure the required 80 credits. In this case, this student would be a Grad 2025 student and participate in the Grad 2025 Cap & Gown event (they may participate in this year's Promenade/Ball). If your student is "at-risk of not graduating" their counsellor will be contacting you very soon.

SEMESTER 1 LEARNING UPDATES (REPORT CARDS) & GRADUATION STATUS UPDATES

Semester 1 Learning Updates (report cards) and Graduation Status Updates were distributed to students on Feb. 12. Learning Updates were also posted to the parent portal. If your student is in grade 12 and received a failing grade in a course, please have them connect with their counsellor to ensure they are still on track to graduate. Here is some more information about how to read your student's Graduation Status Update:

Most students graduating are on a Dogwood Diploma. Their Graduation Status looks like the one on the right. Any courses in **YELLOW** are in progress and must be completed and passed before graduation. Any course in **RED** also mandatory and must be completed before graduation. If the course is **RED** the student still needs to register and take the course and complete it prior graduation

LOCAL SCHOLARSHIP, BURSARY & AWARDS

It is important that all grade 12 students explore the option of post-secondary education and training, and the option of being awarded cash. Once packages are available, Ms. Kinloch is available to help students complete their packages M-F, 8 a.m. - 4 p.m.

District Award package information is now available in the Career Centre. Applications are due to Ms. Kinloch no later than April 24 at 3 pm.

Grade 12 students are also encouraged to research and find scholarships and bursaries which they may be qualified for online. Many large businesses and organizations have awards for students going to post-secondary.

On February 14, 42 Correlieu students travelled to CNC Prince George for a tour of the College and take part in sessions to learn about post secondary programs and options for after high school.

Half the group learned about programs and opportunities in Natural Resource Management. The other group had a look into Trades Programs such as Heavy Duty Mechanics, Autobody Repair & Painting, Carpentry and Welding programs. Students had fun in the Carpentry shop where they made boxes and also did some welding with CNC instructors and students.

On February 16 some Correlieu students took the opportunity to try out a Ponsse Forwarder simulator at the Forestry Initiatives office in Quesnel. Students had fun learning how to operate the simulator which gave them an idea of what operating a forwarder in the forest industry would be like.

Many thanks to Erin at the Forestry Initiatives Program, Quesnel and Jim with the Council of Forest Industries for making this possible.

Correliou Secondary School Graduation 2024 Fees

Dear Grad and Grad Parent(s)/Guardian(s),

January 2024

The responsibility of the school is to provide a transcript of marks (Dogwood certificate) upon the completion of Grade 12. As well, the school organizes events such as the graduation ceremonies to celebrate the completion of Grade 12. Graduation is an important event in a student's life (as well as for the family). Graduation is the point where students move on to new challenges, experiences, and friendships. The desire of graduates, family, and the community over the years, has been to develop certain ceremonies and traditions. These activities bear a cost.

Grad fees cover the expenses of all of the services, ceremonies, grad paraphernalia, and activities enjoyed by the Grads each year. **The fees for graduation are \$150.00.** Please make cheques payable to 'Correliou Secondary School' and remit to Stacey Gilbert in the school office. This is a single price for each Graduate and, unfortunately, they cannot pick and choose those items for which they would like to pay. To make it affordable for all students, it is necessary to charge all students.

Check the Correliou website for up-to-date grad information.

Some of the benefits include:

- Graduation Photograph Sitting Fee
- Souvenir Commencement Program
- Souvenir Mortarboard and Souvenir Tassel
- Correliou Coyotes Lanyard
- Correliou Coyotes Keychain
- Commencement Certificate and Certificate Holder
- Commencement Photograph
- Graduate Image on Framed Composite with rest of Graduation Class
- Use of Graduation Gown and Correliou Graduation Sash for ceremony
- DJ and Music Services at Commencement Ceremonies and other events
- Rental of Arena (and other facilities) for Commencement and other events
- Entertainment Draw Prizes
- Decoration of Facilities
- Food and Beverages
- Custodial Expenses
- Security Expenses
- First Aid Expenses

Additional Notes:

Even if you are not purchasing a Photo package from the photographer, we want all grads to have their photo taken so that they can be part of the hallway composite and the yearbook.

If for some reason a student is unable to pay the fees, please contact Marissa Knauf at marissaknauf@sd28.bc.ca, or Shane Mummery at shanemummery@sd28.bc.ca or 250.992-7007, as we have funds available for such circumstances.

Should you have any questions regarding these fees, please do not hesitate to contact Marissa Knauf at 250.992-7007.
