Math and Science Course Selections Chart

## Choosing your English courses

### Grade 11 - FOUR choices

**Lit Studies** - most resembles a "traditional" course

**Creative Writing** - focus on creative writing skills - not the best option if you "hate writing"

~~**New Media** - looking at newer forms of media, changing role of media in today's society (NOT a computer based course)~~

**Spoken Language** - focus on spoken communication/oral traditions

\*All courses include a Composition requirement - may include novel, short story, paragraph and essay writing, creative writing and presentations.

### Grade 12 - TWO choices

You need either:

**English 12** OR  
**English First Peoples 12**

for graduation

## Choosing your Socials 11/12 course

### Options:

Explorations of Social Studies 11

Law 12

**BC First Peoples 12** (meets Indigenous content requirement)

Physical Geography 12

Social Justice 12

20th Century World History 12

\*If you are planning to go directly to university, the gr 12 options can count as an academic gr 12 course needed for admission

\*Psychology 11 DOES NOT MEET the Socials 11/12 grad requirement

## FRENCH IMMERSION

Each year, the timetable “flips” for French Immersion students.

Next year, these are the required courses for Grades

- You have more freedom BUT....more responsibility
- Consider what your goals are and how you will achieve them

**Reach out for help when needed! We are here for you.**
