Principal's Message

It's hard to believe, but we are already halfway through May, and into the last six weeks of the school year. This is the toughest time for students, as the weather improves, and it's hard to be inside all day, but hard work pays off and may mean the difference between passing or failing a course. Keep working hard and sprint through the end of the year. Attendance is especially important at this time of year. Please encourage your child to be here and put in a good effort.

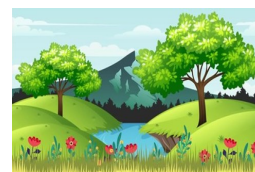

Just a reminder that not all graduation events are sponsored by the school. School-sponsored events are upcoming – the Grad Barbeque on June 7th, the Cap and Gown on June 21st, and the Grad Ball and Promenade on June 22nd. Other events such as “grad kidnapping”, “grad campout”, and the “after grad party” are not sponsored by the school and do not have school supervision, and also may not have adult supervision whatsoever. Please speak to your child about being responsible and safe if allowing them to participate in these events.

It has come to our attention that there are some “hard drugs” being shared at parties during the weekend. Please speak to your child about the dangers of these drugs and consider whether it is safe for them to attend unsupervised gatherings.

The second and third weeks of June are Provincial and in-class assessments. Students are required to be in school until Thursday, June 20th. The last week of school – June 24th-27th will be days for students to complete any missing assignments or to improve their marks.

UBC SUMMER SCIENCE PROGRAM

IS BACK THIS SUMMER!

"It makes everything more clear and helps you choose where you want to go after high school."

"It's so fun!"

"It has given me opportunities to look further into different careers."

What is UBC Summer Science Program?

UBC Summer Science is a one-week cultural, health and science program for Indigenous students currently in grades 8 to 11. The program promotes interest in health and science programs through first hand experience at the University of British Columbia. The Summer Science Program is a great opportunity to meet new friends, eat great food, connect with Elders/role models while enjoying fun, laughter and learning.

DISTRICT AWARDS

Our District Awards event is happening May 14-16. Setup for the event is May 14th and the Event is May 15th. Open house for parents/guardians etc. is on May 16th between 8:30 - 11:30 am.

TERM 3 LEARNING UPDATES

Term 3 learning updates (report cards) and Graduation Status Updates were distributed to students on April 29th. Learning updates have also been posted to the parent portal.

SNAPCHAT, NETFLIX & TIKTOK BLOCKED FROM DISTRICT NETWORK

The Quesnel School District has decided to block Snapchat and Netflix from the district network. This decision was made due to the drain on the bandwidth, the fact that Snapchat is not an educational tool and Netflix not being licensed for use in schools. The Snapchat and Netflix platforms will not be accessible through the district network for devices plugged into the network or connected to the secure/public WIFI. The only way to access Snapchat and Netflix at a district site will be by using a personal data plan which may result in an increased cost to individuals. This became effective April 15, 2024. TikTok was blocked from the district network on May 23, 2023 due to the security risk to personal information and the drain on the bandwidth.

YEARBOOKS

For those students who have already pre-paid for their yearbooks, great! We only have a few left so bring your \$50 cash or cheque to the office as soon as possible.

GRAD ASSESSMENTS - June 10—14, 2024

During this assessment period, various classes will write Numeracy 10 and Literacy 10 as indicated in the schedule below. We have also scheduled Literacy 10/Numeracy 10/Literacy 12 make-up sessions for any grade 12 students missing these assessments for graduation. There is a signup sheet in the office for anyone who would like to pre-write or re-write Literacy 12 on June 11. Scores from the April assessments will be posted across from the Career Centre door once they have been released. Students are permitted to write assessments up to 3 times in order to better their score.

Please note the following:

- ♦ If your student misses their in-class assessment, the only make-up opportunity is Thurs, June 13 (8:30 – 12:30 pm in Room 302).
- ♦ Students are permitted 3 hours to write their assessment. If your student is writing an afternoon assessment, they may not be finished writing until 3:30 pm so they may need to find an alternate way home if they ride a bus.
- ♦ All classes/blocks will run as normal, so if your student is not writing an assessment (s), they are expected to be in class. If your student finishes their assessment early, they are expected to go to their regular class or the library/Career Centre—no hallway wondering.

INTRAMURALS UPDATE

Congratulations to the Danbury Trashers for winning the Correlieu Cup in our Intramural Floor Hockey Championship!

Most sportsmanlike team went to "Big Rigs" and they received the Brian Cullinane Memorial Trophy.

NEWS & EVENTS

MVP went to Hunter James for his acrobatic goaltending on a short notice position change.

Our Last Intramural Championship will step away from athletics to embrace the cognitive. "The Great Brain Freeze" trivia challenge will be held May 22nd in the theatre. There will be teams of 5 people and you must have a trivia themed team name!!

ATHLETICS UPDATE

Zone championships are coming soon for Golf and Track and field and will be held in Prince George.

Our Ultimate team will be our zone representative again this year at Provincial Championships in Kamloops.

NEWS & EVENTS

Track and Field season is well under way! With the early snow melt we were able to get out on the track at the beginning of April! Athletes have been working hard in their jumping, running and throwing events. On April 23 and 24 we hosted our fourth annual Icebreaker Track Meet. This meet brings together Special Olympic athletes, QJS athletes and Correlieu athletes. Our event is one of a kind that sees athletes of all abilities competing with and against each other, following the Special O model – everyone does everything, meaning that throwers sprinted and runners threw. The meet wrapped up with many ribbons, pizza and lots of group bonding. Thanks to all the volunteers who came out to support the event. Here are the team pictures.

On May 4 and 5, 19 Correlieu and 7 QJS athletes journeyed to Prince George to compete in the Sub-Zero Meet. Luckily, it was not subzero, as the weather was in fine form. So were the athletes! Many of our athletes came home with ribbons, medals and personal bests! They even stepped up and took part in a fun 4x400m relay at the end of the meet. This is a grueling race and athletes are always encouraged to leave it all on the track. Well done team!

Next up is the North Central Zones Meet in Prince George on May 15 and 16. This is the meet that we have been training for! Good luck to all the athletes as they compete for their personal bests and a chance to represent Correlieu at Provincials.

Pictures from last week's field trip to Lightning Creek organized by our Careers Department. Students participated in hands-on activities related to careers in forestry and natural resources.

Our Careers Department has organized a Gibraltar Mine Tour for Thursday, May 23. The tour, sponsored by Minerals Education, will be from 8:30 a.m. until 3 p.m. Students will arrive back at CSS at 4:30 p.m. If your student is interested, please have them pickup a permission form from Mr. Runge or Ms. MacFarlane.
