GRAD ASSESSMENTS - June 10—14, 2024

During this assessment period, various classes will write Numeracy 10 and Literacy 10 as indicated in the schedule below. We have also scheduled Literacy 10/Numeracy 10/Literacy 12 make-up sessions for any grade 12 students missing these assessments for graduation. There is a signup sheet in the office for anyone who would like to pre-write or re-write Literacy 12 on June 11. Scores from the April assessments have been posted across from the Career Centre door. Students are permitted to write assessments up to 3 times in order to better their score.

Please note the following:

- ♦ If your student misses their in-class assessment, the only make-up opportunity is Thurs, June 13 (8:30 – 12:30 pm in Room 302).
- ♦ Students are permitted 3 hours to write their assessment. If your student is writing an afternoon assessment, they may not be finished writing until 3:30 pm so they may need to find an alternate way home if they ride a bus.
- ♦ All classes/blocks will run as normal, so if your student is not writing an assessment (s), they are expected to be in class. If your student finishes their assessment early, they are expected to go to their regular class or the library/Career Centre—no hallway wondering.
