NEWS & EVENTS

SPARE BLOCKS

At Correlieu Secondary School (CSS) a growing concern is students on spare blocks. In September 2025, grade 10 and 11 students at CSS will be required to have a full course load (8 courses).

If students are enrolling in online courses, they need to know that these courses need to be completed at home and that they are still required be enrolled in a full course load at CSS. CSS is not funded to support online learning.

Grade 12 students requesting a spare block will need to have permission from the Principal or Vice Principal. In addition, a plan will be established for the student to either be supervised in the building or off campus during their spare block. Failure to follow the plan may result in disciplinary measures.

Please keep your current bus pass during the summer holidays! It will remain valid for the next school year!

STUDENT TRANSPORTATION

The 2025-2026 school year is fast approaching.

Will your student be changing schools or addresses in the coming school year? If so, please contact the SD28 Transportation Department or submit a bus registration form to Transportation@sd28.bc.ca.

Please have registration forms submitted by May 31, 2025.

Please see below the link to access the SD28 Bus Registration form:

<https://www.sd28.bc.ca/sites/default/files/documents/2023-04/Bus%20Registration%20Form%202022-2023%20-%20Fillable.pdf>

Please make sure your student retains their bus pass over the summer. The student use of the bus pass helps us meet the legal requirement for bus attendance records and also allows the Transportation Department to ensure the students are permitted to ride the buses they are boarding. Please contact us to verify your student's current registration or to order a new bus pass.

Dear Parents, Guardians and Caregivers:

As we approach the end of the school year, I would like to extend my sincerest thanks to you. Thank you for your time, energy, and commitment. Your engagement drives the success of our kids and of our school communities. I hope you take some time with the student in your life to celebrate their hard work, accomplishments, and their opportunities for growth.

As a parent, I know how important it is to ensure that schools are safe and inclusive. I am committed to continuing the work to ensure schools are a place where everyone can show up as their authentic self, and where every student can access what they need to grow and thrive.

Government is working closely with your district to strengthen programs that create safer and more focused learning environments. At the start of this school year, all districts implemented policies to restrict student cell phone use at school. I am hearing directly that this policy is making a difference, and I hope you are seeing that too.

One of the most important programs we have initiated is the Feeding Futures Program. Kids cannot learn on an empty stomach, so we are making sure more students can access food at school, stigma-free. We are working hard to help to relieve some of the inflation burden we are all experiencing.

It has been an honour to meet with people across the province and to see what our extraordinary students have achieved. Hearing about the educational and personal successes never ceases to inspire me in my own learning and work.

So thank you, every parent, guardian and caregiver, for your time, energy and effort. Your dedication and engagement truly makes a world of difference to the school community, and we could not do it without you!

I hope you all have an incredible summer, and I look forward to the years ahead!

With gratitude,

Lisa Beare
Minister

The CSS Jazz Band ended the school year with an epic trip to the Southern Interior! It combined a performance Friday afternoon at Ashcroft's Desert Sands Community school (where we had everyone up dancing) followed by a full day Saturday rafting the mighty Thompson river with Kumsheen Rafting. A big thank you to all the parents, chaperones (including Mr. Moore), Rotary Club Quesnel and Vossa for helping to make this happen!
