### Other Tidbits of Information:

- On Saturday June 20, we suggest grads, escorts, and family plan to have photos in Lebourdais Park. If everyone meets at Lebourdais Park there will be lots of opportunity to capture your grad with many of their friends.
- Seating at the arena for Cap and Gown and the promenade, (if the weather is bad), will be by ticket only. Seating is festival style seating; not reserved family seating. Doors will open at 5:00 pm on June 19<sup>th</sup> and on the 20<sup>th</sup>. If an attendee & their family of either ceremony has any physical accessibility accommodations we need to be aware of, please let us know in advance for us to try to plan accordingly.
- **Graduates are only allowed only 1 escort into the ball.**
- **Each graduate will receive 6 tickets for each night.**  
We will begin distributing tickets to students the week of June 9<sup>th</sup> in the office (at natural break times - not during class time)  
There has been a private parent Facebook™ page created. **Correlieu & McNaughton Grad 2026** - This page can be an option for families to exchange/share tickets that either don't need the 6 allotted or if hoping have more than the 6 allotted tickets
- There are Grad Info Sheets given to students to give us the details needed to prepare for the event – height, size, contact & escort information, historian nominations etc.
  - Always let the office know if there changes to your information after March 7<sup>th</sup> – e.g. change in escort information
- If fees are a hardship please contact Mrs. Knauf.
- **Only those students who have 80 or more credits OR are Adult Dogwood OR Evergreen graduates and who have met the District requirements for graduation can participate in the Cap & Gown ceremony. (More information to follow)**
- All Grade 12 students are permitted to go to the grad ball/promenade.
- **If taking online courses via QDL & wanting to partake in ceremonies, please plan to meet with Mrs. Knauf. There are details/paperwork/fees etc. needed to be checked & completed.**
